THE ISLAND NOT FOREIGN TERRITORY

The Lower Court is Sustained in Its Judgment Favoring the Government's Contention.

Conclusion Was Announced he Fourteen Diamond Rings Case and the Second of the Dooley Cases.

Case and the second of the Dobrey Cases.

Washington, May 28.—In the Unified States supreme court Monday options were handed down in all but two of the cases before that court two of the cases before that court two of the cases before that court two courts are the fourteen diamond rings cases, and the second of the Dooley cases. The undecided Dooley case deals with a phase of the Porto Ricean, question, and the diamond rings case involves and the diamond rings case involves. Of the several cases decided Monday the two which attracted the greatest share of attention from the Pulippines. Of the several cases decided Monday the two which attracted the greatest share of attention from the Cast were what is known as the Durine case, and of these two the Dima case and that known as the Durine case, and of these two the Dima case dealt with a transitional planes of our insular relations. The De Lima case was the first to receive the attention of the court, and as it appeared to be quite sweepingly opposed to the governments contentived at the conclusion that the government had been worsted all along the line. This view suffered a decided change when the conclusion was announced in the Downes case. The court was very evenly divided on both cases, but political lines were not at all controlling.

The Power to Collest Detr. to Recover It.

Lexington, Ky., May 28.—Dr. T. P.
Satterwhite, of Louisville, is in Lexington looking after the suit recently instituted by himself and other heirs to the property known as the old Maxwell graveyard, which was recently upon it a city and has now received upon it a city and has now received upon it of the city and has now the control of the city of the city of the property the hand was given to the twill of the original owner of the property the land was given to the city for permanent use as a gravey and and that when the city ceased to use it as such it reverted to the heirs. The alleged heirs have employed counsel and a strong legal fight is on for the property.

SHE TIRED OF LIFE.

court was very evenly divided on both cases, but political lines were not at all controlling.

The Power to Collect Dety.

The De Linn case involved the power of the government to collect a duty on goods insported into the power of the government to collect a duty on goods insported into the notification of the treaty of Paris and before the paismags of the Porto Rican act. The court said the government's contention in the case was substantially a classy that Porto Rica not. The court said the government's contention in the court in the contention of the contention. The court held that the Porto Rica not well the contention of the contention. The court held that the content on the court held that the content of the c

ommittee on Theological Services Recommend Consolidat of the Louisville and Dan-ville Seminaries.

vitic Seminaries.

Philadelphia, May 28.—By a unanimous vote the Preshytering general assembly adopted the report of the committee on the revision of confession of faith. The debate on this important question had extended into the fourth day, and to Rev. Dr. James D. Moffat is due the credit of having brought the commissioners to such a hamonious conveils Saturday, adopted by a comparatively small majority, Dr. Moffat announced that in view of the divergency of opinion he would Monday offer an amendment, which he hoped would meet with the approval of the entire assembly. When he presented the copied by the commissioners and the adoption of the report as a whole followed with but little fellay.

A vote was taken, and when 640 ayes responded to the question the commissioners are and sang: "Praise God From Whom All Blessing Flow," which was followed by Transie God From Whom All Blessing Flow," which was followed the adoption of the report as a whole commissioner areas and sang: "Praise God From Whom All Blessing Flow," which was followed by the adoption of the report of the property of the commissioner and sang: "Praise God From Whom All Blessing Flow," which was followed the commissioner and sang: "An additional and the commissioner and sang: "An additional and sang: "An additi

a prayer of thankogiving by Moderator Minton.

Permanent Judicial Committee.

The momentons question of creed revision having been disposed of, the assembly proceeded to the consideration of unfinished business. The report of special committee on judicial commissions was first in order, and was adopted after a brief discussion. This report recommended the establishment of permanent judicial committee, to which shall be referred all judicial cases which the general assembly whole body. There will be no appeal from the decision of this committee.

During the afternoon session reports of various special committees were considered and adopted, among them a supplemental report of the committee on theological seminaries, which recommended the consolidation of the Louisville and Dauville seminaries.

New York was selected as the mercal second
